Special Designations: OSI, FAA Strategic Initiatives

Commentary (March 2015)

With the identification of the prioritized list of International Civil Aviation Organization (ICAO) approved by both the International Steering Committee (ISC) and the International Advisory Board (IAB), the ICAO Engagement Task Force (ICAO TF) met the March 31, 2015 deadline. In March, the ICAO TF finalized the position descriptions for the Remotely Piloted Aircraft Systems (RPAS), the System-Wide Information Management (SWIM), and Air Traffic Flow Management (ATFM) secondments and received approval from the International Steering Committee (ISC) and International Advisory Board (IAB). The final position descriptions were submitted by the IAB Chair to the identified heads of the appropriate LOBs to lead the identification of potential candidates.

Commentary (February 2015)

With the identification of the prioritized list of International Civil Aviation Organization (ICAO) approved by both the International Steering Committee (ISC) and the International Advisory Board (IAB), the ICAO Engagement Task Force (ICAO TF) began developing the roles, responsibilities and Knowledge & Skills Assessment (KSA's) for the Remotely Piloted Aircraft Systems (RPAS) and System-Wide Information Management (SWIM) secondments. Next steps include finalize these aspects for ISC for review and approval.
