

16I2E4 Target #5 Obtain ICAO Air Traffic Management Requirements and Performance Panel (ATMRPP) approval of the US/EU 'minimal path' to meet NextGen goals so it can be adopted at the Assembly and included in the GANP. Due September 30, 2016.

Special Designations: OSI, FAA Strategic Initiatives

Commentary (July 2016)

A working paper on the "minimal path" was coordinated with SESAR and presented to the ATMRPP at the Working Group 31 meeting in San Jose, California. Agreement on the paper was reached by the panel, and recommendations of the panel will be delivered to the Air Navigation Bureau (ANB). Additional updates to the GANP may be included in the 2019 version.
