

FY2014 Agency Scorecard for March 2014

OSI, Shared STI, Corporate Priorities, Agency Priorities, DOT Goal

14S.25 Safety Management System

Description

Identify a significant safety issue with accompanying mitigation strategies by September 30, 2014.

Special Designations: OSI

Commentary (March 2014)

This measure is Green. The team met March 11th - 13th to conduct the safety analysis for Magnetic Variation. The team is writing the safety analysis document and coordinating with the stakeholders to revise the document - next meeting is planned for early April.

Commentary (February 2014)

This measure is Green. In February, the FAA SMS Executive Council identified three cross organizational Significant Safety Issues/Significant Risk Areas. The team will work the Magnetic Variance issue first.

Status Table (Qualitative Metric)
