Commentary (March 2015)

AVS/AVP is incorporating final edits to the draft of the FAA Compliance Philosophy. Once finalized, an Agency review of the order will be conducted in parallel with the revised FAA Order 2150.3. AFS has completed the associated eLMS Briefing; this briefing has been reviewed and is ready for release. Communications/outreach efforts - both internal FAA and external - to introduce the new compliance approach are being developed for implementation April through June.

Commentary (February 2015)

Informational briefings provided to NATCA (23 January) and PASS (30 January) on revised Compliance Philosophy. An FAA-wide eLMS Compliance Philosophy briefing is being developed; a prototype was delivered to the SI 3 team on February 23. The Administrator has verbally approved the language for the Compliance Philosophy order. Revised FAA Order 2150.3 is under executive review. Development of standardized oversight terminology is on schedule and will be used by SI 3 to develop FAA surveillance policy.
