

Lighting, Markings & Signs Student Workbook

Take a few moments to review the information on the Lighting, Markings, and Signs webpage and follow along in this workbook as you complete the content online. It doesn't include everything – just the things you need to work on!

Have questions or comments? Please contact the Airport Design Challenge team at avsed.challenge@faa.gov.

Next Steps...

- Get your Airport Layout Plan from Module 2 and add your new features – lighting, ground markings, and signage.
- Test your knowledge with the Lighting, Markings & Signs Quiz!
- Add your lights, markings, and signage in Minecraft!
- Move on to Module 4: Airport Buildings!

Let's build, learn, and fly together!

Check Your Knowledge! Lighting, Markings & Signs Quiz
