FLIGHT INSPECTOR REMARKS: Special Number: OG-03-263-25 Reconfiguration inspection for updated procedure. KGKY Arlington Municipal, Arlington, TX, RNAV (GPS) RWY 16, Amdt 1, Complete/SAT with changes. On FAA Form 8260-3, "Changes-Reasons" #2 states that the altitude from RYANE to IRVNN changed from 2200 to 2100. The 8260-9 states that leg should be 1700, which also corresponds to proper descent gradient after point IRVNN was moved closer to runway. The correct altitude in that comment should be "changed from 2200 to 1700." All other documentation is correct, including the FIG.
