

COPTER NDB 303°²⁵¹⁰⁷

SABRE AAF (FORT CAMPBELL) (KEOD)

When local altimeter setting not received, use Fort Campbell, KY altimeter setting.

MISSED APPROACH: Climbing left turn to 2200 direct CK LOM and hold.

The diagram illustrates a flight path. It begins with a climb to 2200 feet, indicated by a curved arrow and the number 2200. A legend shows a 'CK' (Climb) symbol and a 'One Minute Holding Pattern' symbol. The path then enters a holding pattern at 2200 feet, with outbound legs at 123° and inbound legs at 303°. A vertical line marks the 'CK LOM' (Climb Limit of Movement). After the holding pattern, the path descends, indicated by a curved arrow and the number 2200.
