

RNAV (GPS) RWY 17
GREELEY-WELD COUNTY (GXY)

MISSED APPROACH: Climb to 5400 then climbing left turn to 7000 direct CEDUK and hold.

[illegible]

Diagram illustrating the proposed rail alignment (REIL and MRL) and station locations (10, 35, 28). The alignment shows a vertical segment (REIL) and a diagonal segment (MRL). The vertical segment is labeled "0.6% DOWN" and "10000 X 100". The diagonal segment is labeled "0.3% UP" and "5801 X 100". Station 10 is at the bottom left, station 35 is in the middle, and station 28 is at the top right. A star symbol is located near station 35 on the vertical segment.
