## List of Preparers

A multidisciplinary project team consisting of Federal Aviation Administration (FAA) and contractor experts with varying qualifications and expertise contributed to the Environmental Assessment (EA). While the project team included contractor staff, the FAA made the final decisions regarding the scope and content of the EA.

**Table 1** provides a list of the FAA staff, including their name and title, education, years of experience, and role in preparing the EA. **Table 2** provides a list of the contractor staff involved and includes their name, company, title, education, years of experience, and role in preparing the EA.

**Table 1. Project Team Members – FAA**

Name Title	Education	Yrs. of Exp.	Role
Danielle Gresser Community Engagement Specialist	AAS, Air Traffic Control Management	28	Community Engagement and EA reviewer
Kristi Regotti Environmental Protection Specialist	B.S. Political Science, MPA Environmental Policy, MPH Environmental Health	25	NEPA Lead

Notes: Yrs. = Years; Exp. = Experience; AAS = Associate of Applied Science; EA = environmental assessment; B.S. = Bachelor of Science; MPA = Master of Public Administration; MPH = Master of Public Health; NEPA = National Environmental Policy Act.

**Table 2. Project Team Members – Contractors**

Name (Company) Title	Education	Yrs. of Exp.	Role
Lesley Walcourt, PMP (CS) Program Manager	B.S. Aerospace Engineering	18	Program Analyst and task management lead; EA budget oversight; EA documentation and QC oversight
Michael Benton, Jr. (HMMH) Associate Consultant	A.S. Environmental Science, B.A. Geography and Environmental Systems, GIS Certificate	2	AEDT; Noise technical analysis
David Crandall (HMMH) Principal Consultant	B.S. Aeronautical Engineering, Concentration in Mathematics	27	Forecast Development; Airspace and procedures; AEDT; Noise technical analysis and QC review
Philip DeVita, CCM (HMMH) Director, Air Quality	B.S. Meteorology, M.S. Environmental Studies	37	Air Quality and Climate technical analysis and documentation
Justin Divens (HMMH) Principal Technical Analyst	B.S. Mechanical and Aeronautical Engineering	13	AEDT; Noise technical analysis
Christopher Emma (HMMH) Consultant	B.S. Physics, M.S. Physics	5	AEDT; Noise technical analysis
Erin Greenfield (HMMH) Technical Editor	B.S. Environmental Science, Technical Writing Certificate, Graphic Design Certificate, Instructional Design Certificate	18	EA technical editing, Section 508 compliance

Name (Company) Title	Education	Yrs. of Exp.	Role
Michael Hamilton (HMMH) Senior Geographic Information Specialist	A.S. Survey and Highway Engineering; B.S. Geographic Information Systems and Cartography	42	GIS analysis and exhibits
Aofei Li, ACE (HMMH) Senior Consultant	B.S. Computer Science; M.S. Aeronautical Science, Aviation Management	10	AEDT; Noise technical analysis
Vincent Ma (HMMH) Senior Consultant	B.S. Environmental Biology	8	AEDT; Noise technical analysis
Robert Mentzer Jr., (HMMH) Principal Consultant	B.S. Meteorology	36	Noise Technical Lead; Forecast Development; Airspace and procedures; AEDT; Noise technical analysis and documentation; EA analysis and documentation, and QC review
George Noel (HMMH) Principal Consultant	B.S. Civil Engineering	23	Noise technical analysis QC reviewer and EA QC review
Arnav Pamidighantam (HMMH) Senior Consultant	B.S. Materials Science and Engineering	15	AEDT; Noise technical analysis
Scott Polzin, PMP (HMMH) Principal Consultant	B.S. Finance; MCRP	27	Project Manager; EA documentation and QC review
Brandon Robinette (HMMH) Principal Consultant	B.A. Acoustics	21	Noise technical analysis QC reviewer and EA QC review
Missi Shumer (HMMH) Chief Growth Officer	B.A. English (Professional Writing)	25	Technical Project Manager/Program Manager; EA analysis, EA documentation, and QC review
Jason Stoddard (HMMH) Airspace Analyst	B.S. Aeronautics	18	Airspace and Procedures Lead; EA analysis and documentation
Kimberly Threlfall, PMP, LEED AP (HMMH) Principal Consultant - NEPA	B.A. Geology	25	EA documentation, EA technical analysis, and QC review
Nastasja von Conta, PMP, Commercial Pilot Certificate (HMMH) Principal Consultant	B.S. Aeronautics, MBA	15	Airspace and procedures; EA noise technical analysis and documentation
Sarah Yenson (HMMH) Principal Consultant	SB Aeronautical/Astronautical Engineering; M.S. Civil Engineering	25	Deputy Contract Manager; EA analysis, EA documentation, and QC review

Notes: Yrs. = Years; Exp. = Experience; PMP = Project Management Professional; CS = Concept Solutions; B.S. = Bachelor of Science; EA = environmental assessment; QC = quality control; HMMH = Harris Miller Miller & Hanson Inc.; A.S. = Associate of Science; B.A. = Bachelor of Arts; GIS = geographic information system; AEDT = Aviation Environmental Design Tool; CCM = Certified Consulting Meteorologist; M.S. = Master of Science; ACE = Airport Certified Employee; MCRP = Masters, Community and Regional Planning; LEED = Leadership in Energy and Environmental Design; AP = Accredited Professional; NEPA = National Environmental Policy Act; MBA = Master of Business Administration; SB = Scientiae Baccalaureus.
