

## ACF 16-02

### General Information

The 16-02 ACF will be hosted by Pragmatics, Inc. located at 1761 Business Center Drive, Reston, VA 20190.

### Travel Advisory Construction in and around the Dulles Toll Road Between Reston and Washington Dulles International Airport

Attendees traveling to Reston should be advised that there is intense road construction activity within the Dulles Toll Road area. There are major construction projects currently underway:

- Dulles Corridor Metrorail Project – <http://www.dullesmetro.com/>

Most of the construction that involves lane closures occurs at night. However, during both morning and evening rush hours, delays can be encountered due to construction activities. The latest traffic information can be found at:

- WTOP FM – 103.5 FM (Station provides travel updates)
- GoogleMaps – Provides color coded traffic information overlays
- MapQuest – Provides color coded traffic information overlays

## Travel Advisory Metro Rail System Work

Attendees planning to utilize Metro Rail to travel to Reston should be advised that intense track work is being done within the Metro Rail system that may significantly add travel on travel. Please check the following Metro Rail link for current track work being done during the ACF - <http://www.wmata.com/rail/trackwork.cfm>

Projected track work during the time period of the ACF -

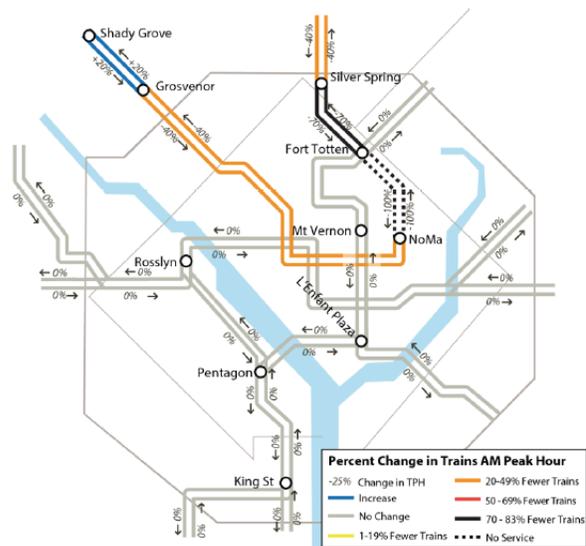

**October 9 - November 2 (23 days)**

### Line segment shutdown between NoMa & Fort Totten

#### REDUCED SERVICE AT MOST RED LINE STATIONS

- Major impact to **108,000** weekday trips
- Trains in two segments:
  - Shady Grove - Noma **every 5 minutes**
  - Glenmont - Fort Totten **every 10 minutes**
- Less frequent Red Line service; expect crowding
- Green Line provides alternate path for thru travel

### NOTE: Staff and Contractors traveling from Silver Spring Metro Station:

Travel on the Red Line from Silver Spring traveling downtown will be adversely impacted by the planned track work with no service from Fort Totten to NoMa Metro stations.
