

**Government/Industry Aeronautical Charting Meeting (ACM)**  
**Meeting 20-01**  
**Charting Group**  
**April 14-16 (Cancelled)**

FAA, Aeronautical Information Services (AIS) cancelled the Aeronautical Charting Meeting (ACM) that was scheduled for April 14-16, 2020, due to the COVID-19 pandemic.

An [email](#) was sent to participants on April 15, 2020, providing information about three interconnected briefings that the FAA Visual and Enroute Charting Group had intended to provide during ACM 20-01 on upcoming changes to the FAA-produced Visual and Enroute charts. The following attachments outline the actions to be taken:

- [56-Day Visual Chart Cycle Briefing](#)
- [Foreign Area Data Depiction Briefing](#)
- [Whitehorse Inset Briefing](#)
