

Federal Aviation Administration

Memorandum

Date: November 25, 2014

To: MVA/MIA Users

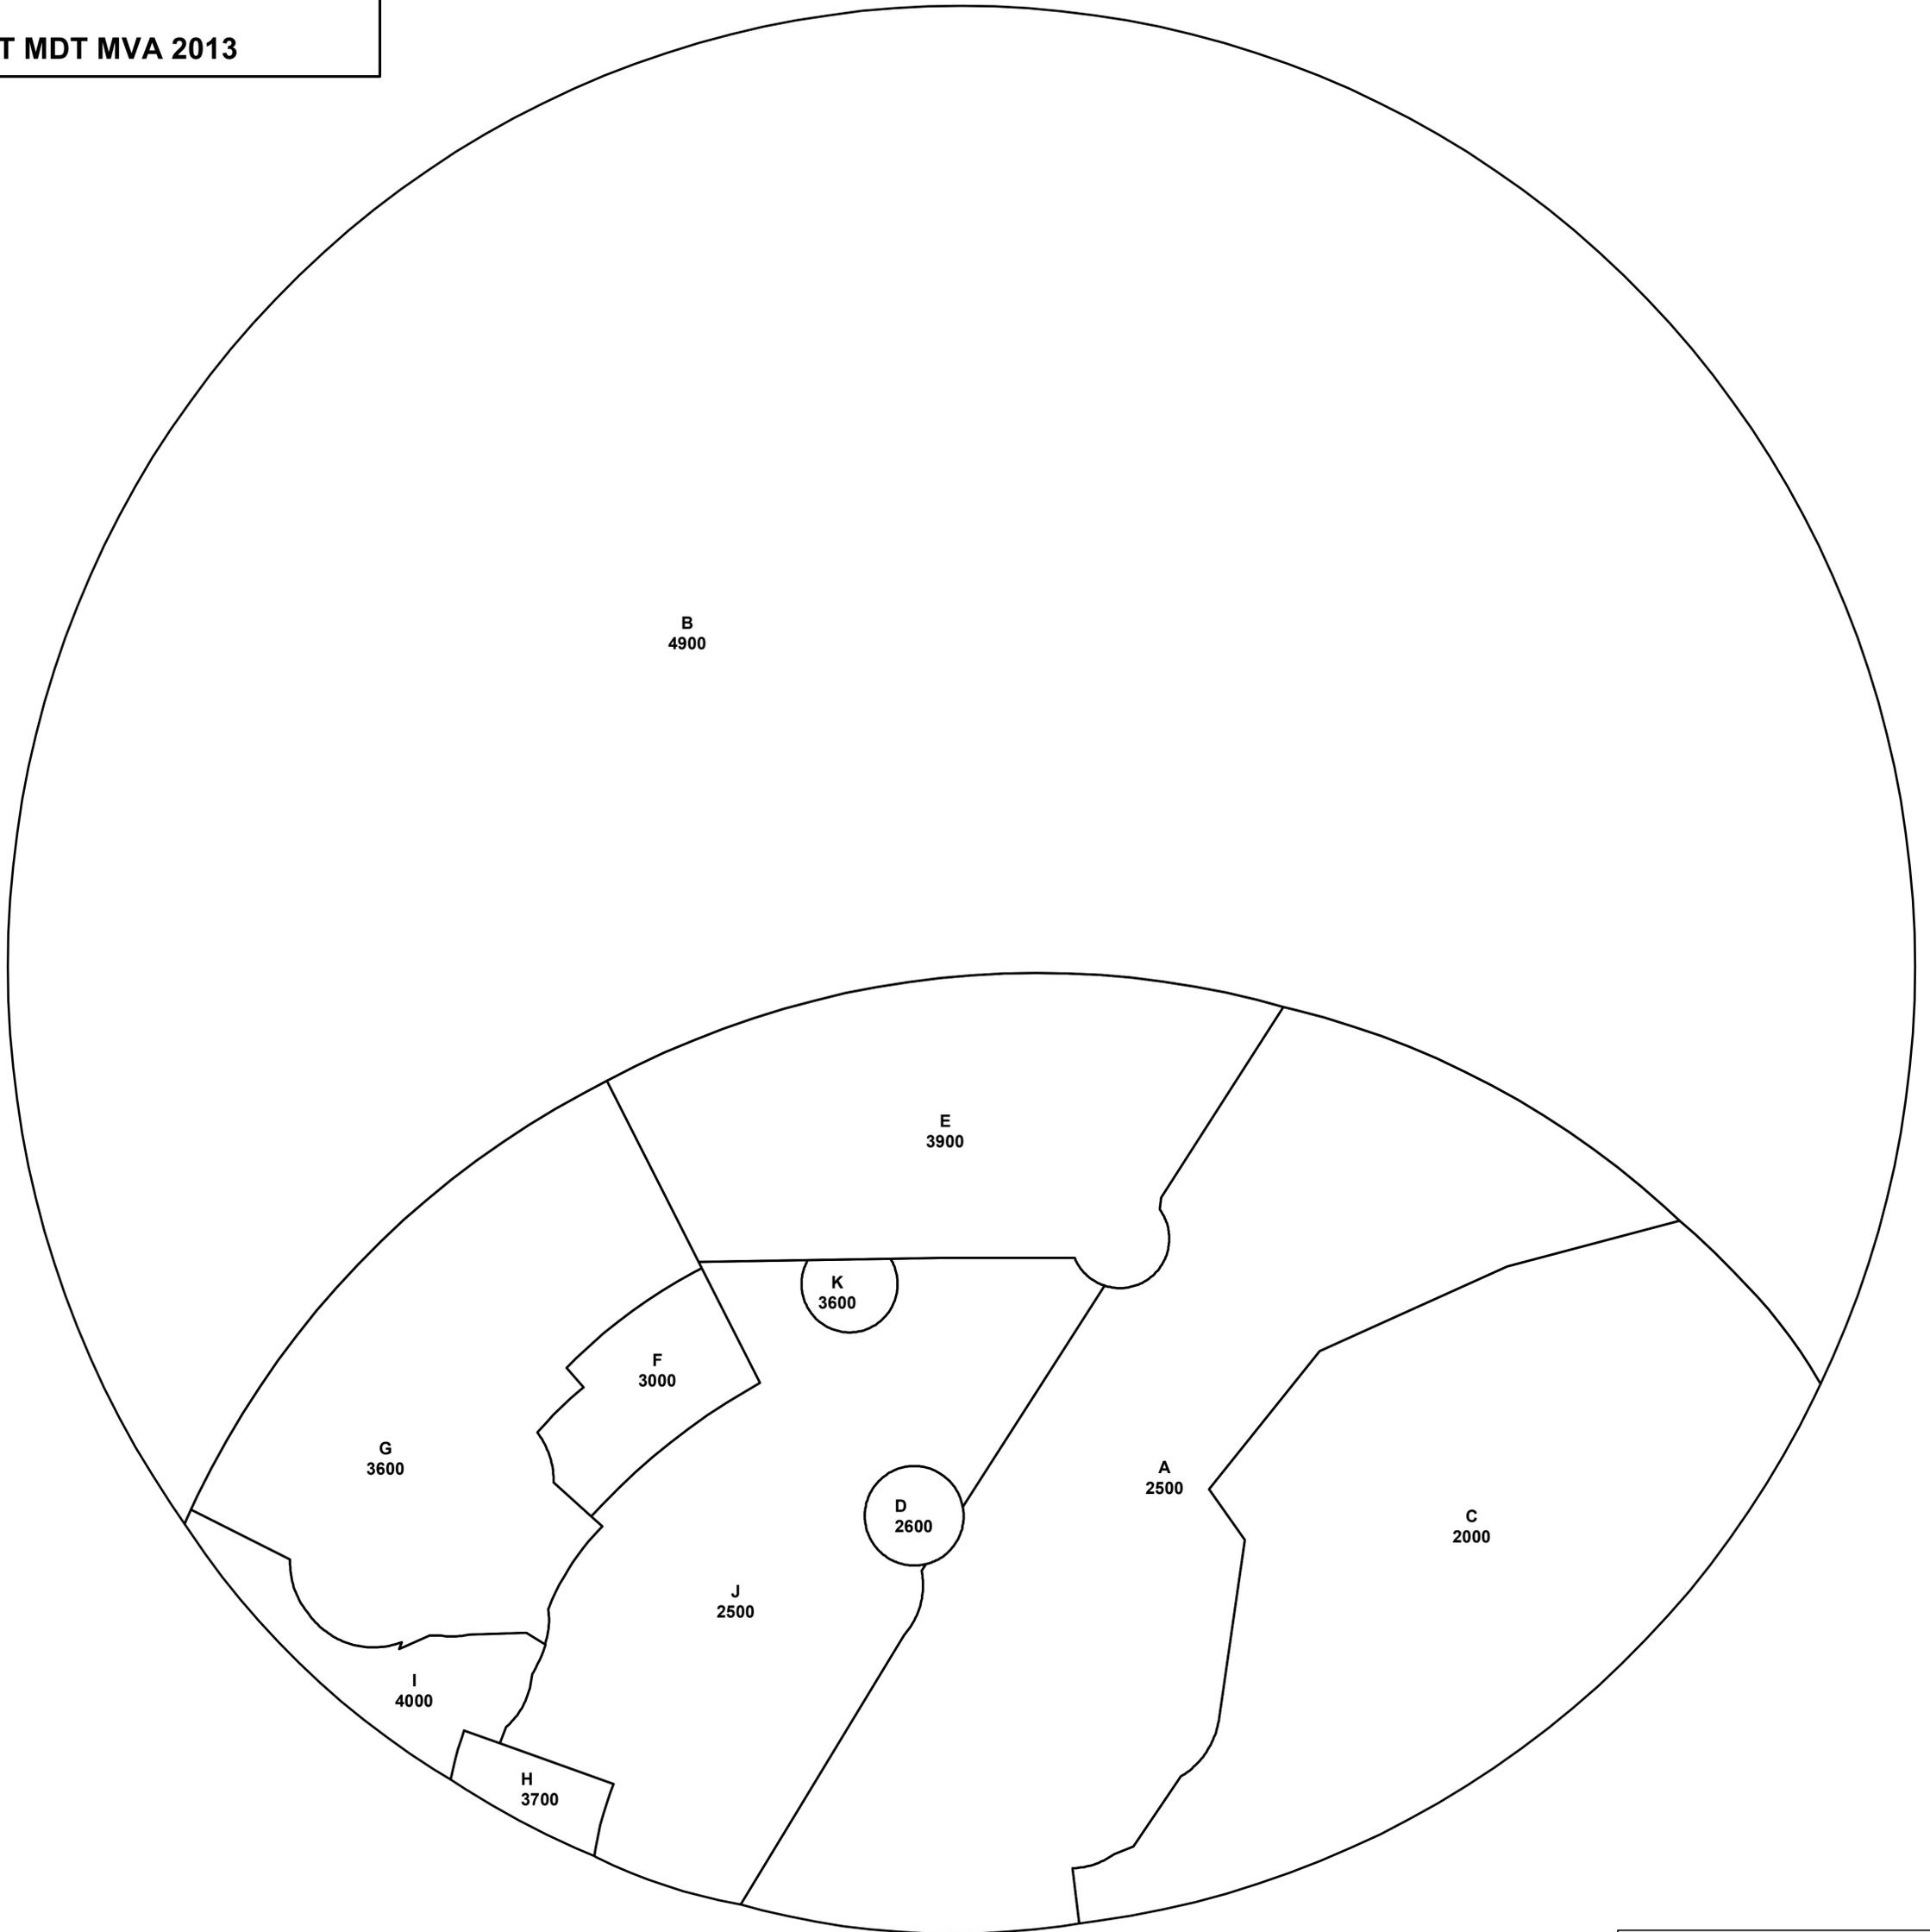

From: Greg Yamamoto, Manager
Airport & Terminal Products Group

Subject: MVA/MIA Release To Public
Disclaimer for MVA/MIA

- 1) These MVA/MIA map files are to be used as a visual reference; they are not to be used as a navigational tool.
- 2) MVA/MIA charts are not updated on a regularly scheduled cycle. Any person using these files is responsible for checking currency dates on these individual MVA/MIA map files.
- 3) The FAA (AJV-2/3) certifies the MVA/MIA file data loaded on this web site. Once the files are retrieved, if they are modified, the certification of these map files are no longer valid.
- 4) Air Traffic facilities are responsible for the bi-annual review of the MVAs/MIAs.
- 5) MVA/MIA discrepancies should be reported to the responsible Air Traffic facility in question
