

CHAPTER 2 FORMAT AND LAYOUT

2.1 GENERAL

Charts shall be designed and published to accommodate all IAPs, CVFPs and Airport Diagrams. All charts shall be oriented to true north. Information shall be presented in textual, tabulated and graphic form, normally printed to read parallel to the top edge of the publication.

2.2 SIZE AND DIMENSIONS

The trim size and dimensions of the finished charts shall be as shown in the appendices.

2.2.1 IAP Charts
