**UNITED STATES GOVERNMENT SPECIFICATIONS  
FOR THE  
FLIGHT INFORMATION PUBLICATION STANDARD TERMINAL ARRIVAL (STAR)  
CHARTS**

**26 October 2015**

These specifications have been developed by the Interagency Air Cartographic Committee (IACC), composed of representatives of the Department of Defense and the Federal Aviation Administration, for use in the preparation of the United States Government Flight Information Publication Standard Terminal Arrival (STAR) Charts. These specifications shall be complied with, without deviation, until such time as they are amended by formal IACC action.

Changes to these specifications will be provided when necessitated by new requirements or through development action of the IACC.

Questions of interpretation that arise in the use of these specifications shall be referred to the Chair, Interagency Air Cartographic Committee.
