

# Federal Aviation Administration

---

---

## CHARTING NOTICE

Date: December 10, 2015

To: Customers of FAA Digital Products

From: Aeronautical Information Services

Subject: Discontinuance of DVD Media from FAA's Digital Products

---

---

The FAA is phasing out DVD media from its digital product suite. **February 4, 2016** will be the final edition date that the Federal Aviation Administration (FAA) will provide DVD media for the following digital products:

- digital – Terminal Procedures Publication (d-TPP)
- Digital En Route Charts U. S. (DECUS)
- digital – Visual Charts (d-VC)
- Coded Instrument Flight Procedures (CIFP)

Our intent is to work with those who are potentially negatively impacted to either eliminate or mitigate any issues. We have called all customers with this information. We have emailed all customers from our customer list this same information by December 4, 2015. We will also mail the same information to each listed address associated with each of our customers, we will begin this mailing by December 11, 2015. Please email us no later than December 18, 2015, with any additional concerns you may have that did not come up during our phone call, at: **9-AMC-Aerochart@faa.gov**.

Customers of these products will still be able to **download** all digital products approximately 20 days prior to their effective date.

Ref: <http://faacharts.faa.gov/>

**Note: When downloading large files, it is best to download one file at a time using a broadband internet connection during off-peak hours.**
