

Federal Aviation Administration

CHARTING NOTICE

Date: February 11, 2016

To: Customers of FAA Digital Products

From: Aeronautical Information Services

Subject: Free Availability of FAA's Digital Products

The FAA is now making its digital products available for free at http://www.faa.gov/air_traffic/flight_info/aeronav/digital_products/ approximately 20 days prior to their effective dates.

Beginning with the **March 3, 2016** effective date the following digital products will available:

- digital – Terminal Procedures Publication (d-TPP)
- digital – Visual Charts (d-VC)
- Coded Instrument Flight Procedures (CIFP)

Beginning with the **March 31, 2016** effective date the following digital products will be available:

- Digital Airport/Facility Directories (DAFD)
- Digital En Route Charts U. S. (DECUS)
- Digital En Route Supplement (DERS)

The FAA has no effective way to contact every individual that has downloaded a digital product; therefore, should you discover or encounter an error in any of our products, you are encouraged to contact us immediately. Before you do however, please check the http://www.faa.gov/air_traffic/flight_info/aeronav/safety_alerts/ webpage to see if the error has been previous discovered and resolved.
