CHARTING NOTICE

Date: October 16, 2019
To: Users of FAA Chart Supplement Publications
From: Aeronautical Information Services
Subject: Contractions and Abbreviations used in the Chart Supplement

Starting with the December 5, 2019 effective date, the Chart Supplement publications will begin adherence to FAA Order 7340.2 – Contractions.

Any new or updated information in the remarks section of the Airport/Facility Directory entries of the Chart Supplements will use contractions that appear in FAA Order JO 7340.2 - Contractions.

For contractions not found in the existing abbreviation table in the Chart Supplement, refer to Section 2 in the above mentioned order at the following URL:
