

Federal Aviation Administration

CHARTING NOTICE

Date: June 4, 2021
To: Users of FAA Chart Supplement SW Volume
From: Aeronautical Information Services
Subject: SW Volume – Tower Enroute Control (TEC) Route Table Formatting

A formatting issue for the Tower EnRoute Control (TEC) Route table within the SW Volume, effective 17 JUN 2021, could cause confusion for product users.

A revised version of the TEC Route information can be found at
https://aeronav.faa.gov/afd/17jun2021/SW_tec_routes.pdf

The correct version will appear in the next edition of the CS Southwest U.S. effective August 12, 2021.
