CHARTING NOTICE

Date: September 15, 2022
To: Users of FAA Chart Supplements
From: Aeronautical Information Services
Subject: FAA Regional Air Traffic Divisions Telephone Numbers

Starting with the February 23, 2023 effective date, the Chart Supplement publications will no longer contain the individual FAA Regional Air Traffic Divisions Telephone Numbers in the Associated Data section.

These telephone numbers are no longer available due to organizational realignment. The main number for the Air Traffic Control System Command Center will continue to be published in the Chart Supplements.

For questions or comments, please contact 9-AWA-AJV-A2-Apt-MapTeam@faa.gov

(See next page for FAA Regional Air Traffic Divisions Telephone Numbers for removal)
