

Federal Aviation Administration

SAFETY ALERT

Date: January 28, 2016
To: Users of the IFR Enroute US Planning chart PDF and Geotif files
From: Aeronautical Information Services
Subject: Erroneous Crop and Geo-referencing

The PDF and Geotif files for the IFR Enroute US Planning Chart have been erroneously cropped and geo-referenced. The following files are incorrect and should not be used.

US_IFR_Planning_pdf.zip
US_IFR_Planning_tif.zip

Revised files have been produced and are now available. If you downloaded the subject files prior to 0900 EST January 28, 2016, please download them again to obtain the revised files.
