

Federal Aviation Administration

SAFETY ALERT

Date: August 30, 2016
To: Users of the IFR Enroute L-22 chart PDF and Geo-tiff files
From: Aeronautical Information Services
Subject: Low Altitude Enroute Chart L-22, Effective July 21, 2016 and September 15, 2016
Special Use Airspace R-3804 and R-4403 depicted incorrectly

Special Use Airspace R-3804 and R-4403 boundaries are depicted incorrectly on the IFR Enroute L-22 chart PDF and Geo-tiff files in black. The correct boundary colors should be blue.

Currently published exclusions, effective altitudes, time use and controlling agency A/G call are correct.
