Addition of Products to FAA Caribbean Chart Series

Effective with the October 5, 2023 chart editions, two products will be added to the FAA Caribbean Chart series. In addition to the ENR_CH01 and ENR_CH02 products, ENR_CH07 and ENR_CH08 will be included. The ENR_CH_01 is being re-sized and re-scaled to reduce chart congestion and increase usability. This is also consistent with the NGA sources from which FAA Caribbean Charts are created.
