

Federal Aviation Administration

SAFETY ALERT

Date: January 9, 2020
To: Users of the 56-Day NASR Subscriber File
From: Aeronautical Information Services, AJV-A
Subject: Front Range Airport, Colorado, Class D Airspace

The Airport ID for Front Range Airport in Colorado was changed from “FTG” to “CFO” effective January 30, 2020, per National Flight Data Digest # 237 – 1 (published on December 10, 2019).

This message serves to provide notice that the airport ID associated with the Front Range Airport, CO, Class D airspace contained in the subscriber files effective for January 30, 2020 is incorrect. The correct FAA airport ID associated with this airspace is “CFO” and the correct ICAO ID is “KCFO”
