

Federal Aviation Administration

SAFETY ALERT

Date: June 16, 2020

To: Users of the NASR 28 and 56 Day Subscriber Files

From: Aeronautical Information Services, AJV-A

Subject: TKO NAVAID type

~~Attention users of the NASR Subscriber Files. The NAV.txt subscriber file for effective date 7/16/2020, is showing in error the NAVAID type at TKO as VOR/DME per National Flight Data Digest 115-3 (published on 6/15/20). Please note the NAVAID type at TKO should read VORTAC. The NAV.txt subscriber file effective 9/10/2020 will show the corrected data for TKO as VORTAC. Additionally, please reference NOTAM 05/046 regarding the TACAN out of service at TKO.~~

NOTE:

The NAV.txt subscriber file for effective date 7/16/2020, is correctly showing the NAVAID type at TKO as VOR/DME per National Flight Data Digest 115-3 (published on 6/15/20).
