

Federal Aviation Administration

SAFETY ALERT

Date: August 26, 2020

To: Users of the NASR 28 and 56 Day Subscriber Files

From: Aeronautical Information Services, AJV-A

Subject: RBA NAVAID type

Attention users of the NASR Subscriber Files. The NAV.txt subscriber file for effective date 9/10/2020, is showing in error the NAVAID type at RBA as VOR/DME. Please note the NAVAID type at RBA should read DME. The NAV.txt subscriber file effective 11/5/2020 will show the corrected data for RBA as DME per National Flight Data Digest 167 (published on 8/27/2020).
