

Federal Aviation Administration

SAFETY ALERT

Date: June 24, 2022

To: Users of the NASR 28 and 56 Day Subscriber Files

From: Aeronautical Information Services, AJV-A

Subject: NAVAID ATL DME

Attention users of the NASR Subscriber Files. NAVAID ATL VORTAC was incorrectly converted to VOR/DME and published on 06/08/2022 in NFDD 110. This error was subsequently published in the NAV.txt subscriber file for effective date 07/14/2022. Please use NAVAID ATL facility type and associated data as published on 06/27/2022 in NFDD 122 (see below) to update 07/14/2022 data and publications. This correction will be available in NAV.txt subscriber file effective 09/08/2022.
