

Federal Aviation Administration

SAFETY ALERT

Date: February 21, 2023

To: Users of the National Flight Data Digest and NASR Subscriber Files

From: Aeronautical Information Services, AJV-A

Subject: 74XS Airport Data

Attention users of the National Flight Data Digest (NFDD). Airport 74XS was published in error on 01/25/2023 in NFDD 016. The airport (74XS) was subsequently removed from the FAA database NASR without a corresponding NFDD entry. 74XS will not appear in the NASR (.txt &.csv) subscriber files for effective date 03/23/2023. Stakeholders should disregard data published for Airport 74XS in NFDD 016. Airport 74XS is not operational.
