

Federal Aviation Administration

DATA PRODUCT NOTICE

Date: October 13, 2026

To: Users of 28-day NASR Subscription Files

From: Aeronautical Information Services

Subject: U.S Customs and Boarder Protection (CBP) Data Removal from 28-Day NASR File and FAA Charting Products.

The FAA will remove all U.S. Customs and Boarder Protection (CBP) data from the NASR 28-day subscriber files. To access the CBP data in .CSV file format, no longer included in the NASR files, you'll need to visit the CBP website directly:

<https://www.cbp.gov/travel/general-aviation-processing/general-aviation-airports>.

The CBP data will no longer be available in the APT_BASE.csv. The following fields will appear as NULL:

CUST_FLAG
LNDG_RIGHTS_FLAG
USER_FEE_FLAG

In the APT.txt fields E79 and E80 will be NULLED out.

These fields will be NULL starting with the 24 December 2026 (2613AIRAC Date). Reference remarks associated with these fields will also be deleted.

Customs related remarks that are published in the Airport Remarks, Seaplane Remarks and Military Remarks will remain.

Associated Charting Products Impacted:

The following charting products will be impacted:

FAA Visual Flight Rules Charts

The Airport of Entry (AOE) designation is being removed from airport data blocks on the following chart types:

- Sectional Charts
- Terminal Area Charts
- Helicopter Charts

Chart Supplement

Airport entries in the Airport/Facility Directory (A/FD) the AOE and Landing Rights Airport (LRA) indicators will be removed from the airport information block, and the remark “User fee arpt” will no longer appear in the remarks section. However, CBP remarks that are published in the Airport Remarks, Seaplane Remarks and Military Remarks sections of the airport entry will remain.

View Aeronautical Information Services [Safety Alerts and Charting Notices](https://www.faa.gov/air_traffic/flight_info/aeronav/safety_alerts/) at (https://www.faa.gov/air_traffic/flight_info/aeronav/safety_alerts/) for awareness of chart and data corrections. A page subscription service is available.

For awareness or participation in a public forum to identify issues concerning safety and usefulness of aeronautical charts and flight information products/services, and discuss change proposals to specifications and methodologies visit [Aeronautical Charting Meeting \(Chart Group\)](https://www.faa.gov/air_traffic/flight_info/aeronav/acf/) at (https://www.faa.gov/air_traffic/flight_info/aeronav/acf/).

A page subscription service is available.
