

Federal Aviation Administration

SAFETY ALERT

Date: October 28, 2014
To: Users of the digital-Airport/Facility Directory (d-AFD)
From: Aeronautical Navigation Products (AeroNav Products)
Subject: D-AFD 21: minor xml issues

Errors were discovered and resolved in the DAFD_21 xml data file for the Nov 13 effective date.

Some minor data issues were discovered in the XML file associated with DAFD_21. In the Alaska region, there were some entries in the xml file that had no data associated with a single-page PDF file. These issues have been resolved.

If you downloaded DAFD_21 prior to 2:00PM EDT on Oct 28, 2014, you will need to update your files.
