

Federal Aviation Administration

SAFETY ALERT

Date: April 7, 2015

To: Users of the digital-Terminal Procedures Publication (d-TPP) DVD and website

From: Aeronautical Information Services

Subject: Add Diverse Vector Area (Radar Vectors) to Portland Intl (PDX) and Delete from Portland-Hillsboro (HIO)

The original Diverse Vector Area (Radar Vectors) procedure effective for 04/02/15 Change Notice cycle, 1504 d-TPP, intended for Portland INTL (PDX) on page L22 of the NW1 volume, was inadvertently added to Portland-Hillsboro (HIO) on page L23.

The procedure is correct as written (as an original for 15092 JDATE), but it should be deleted from Portland-Hillsboro (HIO) and added at Portland INTL (PDX) on the previous page.

You may download the correct file for the NW1 volume TAKEOFF MINIMUMS, (OBSTACLE) DEPARTURE PROCEDURES, AND DIVERSE VECTOR AREA (RADAR VECTORS) for Portland INTL (PDX) at <http://aeronav.faa.gov/d-tpp/1504/NW1TO.PDF>
