# SAFETY ALERT

Date: November 25, 2015

To: Users of the digital-Terminal Procedures Publication (d-TPP)

From: Aeronautical Information Services

Subject: d-TPP xml file, effective for 1513 cycle (12/10/15 effective date), shows incorrect 'C' flags instead of 'D' flags for useraction code field at (TOC) and (TVL) for Alternate Minimums.

---

---

XML file for d-TPP for Alternate Minimums records at Toccoa, GA, Toccoa RG Letourneau Field (TOC) and South Lake Tahoe, CA, Lake Tahoe (TVL), effective 1513 d-TPP (12/10/15).

Below is a snapshot of the corrected portions of the XML file for (TVL) and (TOC), where useraction is 'D' and DELETED\_JOB.PDF replaces SW2ALT.PDF and SE4ALT.PDF, respectively (the ALT files remain, but (TVL) and (TOC) are no longer on them):

```
<chart_name>ALTERNATE  
MINIMUMS</chart_name><useraction>D</useraction><pdf_name>  
DELETED_JOB.PDF</pdf_name>
```

You may download the correct XML file for (TOC) and (TVL) Alternate Minimum records at [http://aeronav.faa.gov/d-tp/1513/xml\\_data/d-TPP\\_Metafile.xml](http://aeronav.faa.gov/d-tp/1513/xml_data/d-TPP_Metafile.xml). A replacement DDTPE\_201513.zip file, including the replacement XML file, has been uploaded to all FTP folders.
