

Federal Aviation Administration

SAFETY ALERT

Date: 10 NOV 2014
To: Users of the Coded Instrument Flight Procedures (CIFP)
From: National Aeronautical Navigation Services (AeroNav Services)
Subject: Incorrect Coordinates for PC records SOMRE (K6) and JETOP (K7)

There are errors in the 1412 Cycle version of the CIFP

The Latitude for the PC record SOMRE (K6) in CIFP 1412 is incorrect and should be as follows:

N40005932 vice N40005832

The Latitude for the PC record JETOP (K7) in CIFP 1412 is incorrect and should be as follows:

N32585650 vice N32585007

These errors will be corrected in the CIFP for the 1413 cycle
