

Federal Aviation Administration

SAFETY ALERT

Date: 1 December 2014
To: Users of the Coded Instrument Flight Procedures (CIFP)
From: National Aeronautical Navigation Services (AeroNav Services)
Subject: Missing leg for RNAV (GPS) Rwy 18 at 6M7

There is an error in the 1412 and 1413 Cycle versions of the CIFP.

The following CIFP procedure has missing data and should not be used:

Marianna/Lee County-Steve Edwards Field RNAV (GPS) Rwy 18 (6M7_R18).

The Stepdown leg at COPUN is missing from the coding.

These errors will be corrected in the CIFP for the 1501 cycle
