CHARTING NOTICE

Date: September 8, 2022
To: Users of VFR Aeronautical Charts
From: Aeronautical Information Services
Subject: Charting of Private Airports

Private Airports Charted on VFR Aeronautical Charts

Effective November 3, 2022, Visual Flight Rules (VFR) aeronautical charts will no longer make reference to emergency value in private airport charting.

Only private airports with landmark value will be retained and charted beyond February 23, 2023.
