Flight Information

The accuracy and currency of information contained in this guide is uncertain due to the difficulty in obtaining the information and the rapidly changing environment. Aviators should always check with a country's aviation authority or a local aviation handler to determine any specific aircraft airworthiness/equipment and crew/passenger entry requirements.

Airports of Entry

GUCY   Conakry/Gbessia International Airport

Entry/Exit Requirements

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Information** for the country at which the technical stop will be made.

Entry and Exit documentation forms vary from country to country. In general, however, ICAO member countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- ✈ General Declaration
- ✈ Passenger Manifest
- ✈ Cargo Manifest
- ✈ Embarkation/Disembarkation Card
- ✈ Certificate of Residual Disinsection

Examples of these documents can be found at *IFIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents*. The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

Entry Requirements (Departing the U.S.)

- ✈ File an eAPIS manifest outbound (recommend inbound at this time, too)
- ✈ File and activate international flight plan
- ✈ Land at a designated airport of entry (AOE) – customs and immigration

The following entry documents are required:

Passengers **–**

- ✈ Passport
- ✈ Visa - required for U.S. Citizens

- ✈ International Vaccination record (WHO card)
- ✈ Yellow fever Vaccination (WHO Card)
- ✈ ICAO Embarkation/Disembarkation card

Crew – Same as passengers

Note: Other requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight

Aircraft –

- ✈ General Declaration - 1 copy for Customs
- ✈ Passenger Manifest - 1 copy for Customs
- ✈ Cargo Manifest - 2 copies for Customs

Note: If no passengers or cargo are loaded or unloaded, only the General Declaration is required

Exit Requirements (Departing Guinea)

- ✈ General Declaration - 1 copy for Customs, 1 for Immigration, 1 for Health
- ✈ Passenger Manifest - 1 copy for Customs, 1 for Immigration, 1 for Health
- ✈ Cargo Manifest - 2 copies for Customs, 1 for Immigration, 1 for Health
- ✈ ICAO Embarkation/Disembarkation card
- ✈ Depart from an AOE
- ✈ File eAPIS manifest if inbound to the U.S.
- ✈ File an international flight plan
- ✈ Call U.S. Customs at filed U.S. airport of entry

Additional Flight Information

Aircraft Instruments and Equipment

U.S. airworthiness and certification requirements may not meet other country requirements. It is the responsibility of the pilot to determine if the aircraft meets those requirements.

The items listed below are for the pilot's reference to determine if the aircraft meets the minimum instrument and equipment requirements of the destination country. Additional equipment may be required to comply with the airspace navigation requirements.

Commercial air transport aircraft operating in Guinea must adhere to the provisions of ICAO Annex 6 – Operation of Aircraft, Part 1 – International Commercial Air Transport – Aeroplanes, Chapter 6 (Aeroplanes Instruments, Equipment and Flight Documents) and Chapter 7 (Aeroplane Communication and Navigation Equipment)

ICAO Documents can be purchased from ICAO at: http://store1.icao.int/

RVSM

Domestic and International RVSM guidance is provided on the IFIM Home Page. Click on the **Air Traffic** tab and select **Separation Standards** from the drop down list.

Technical Stop/Overflight

Owners or aircraft operators engaged in private services who intend to land or make a non-traffic stop may be required by Public Health authorities to conduct a second spraying of the aircraft, on the ground.

Non-scheduled Flights (Charters)

Prior permission is not required provided the aircraft is registered in a state that grants the same privilege to Guinean aircraft. It must, however, telex a message to the Department of Civil Aviation at least 3 days prior to the flight:

National Director of Civil Aviation
P.O. Box 95 Conakry
Tel: 442773

Commercial Telegraphic Address: Civil Aviation Conakry

AFTN: GUCYYAYX

Private Flights

Advance Notification of arrival is required.

Float Planes

The IFIM Staff is not aware of any Float Plane requirements or restrictions.

Light Sport Aircraft

The IFIM Staff is not aware of any Light Sport Aircraft requirements or restrictions.

Fees

Users should anticipate varying fees, based on aircraft weight, for landing, parking, hangarage, storage, passenger services (departure fee), infrastructure fee, security, after hour surcharges and air navigation (see contact for **Enroute and Airport Charges** in Designated Authorities).

Fuel

Conakry airport only offers Jet A1 fuel.

VFR/Night VFR

VFR flights are not permitted within the Roberts Control Zone.

Aeronautical Charts

Aeronautical charts may be obtained from the AIS office (see Aeronautical Information Services listed under Designated Authorities).

Prohibitions, Restrictions and Notices

Prohibitions, Restrictions and Notices may be found on the IFIM main page under General Information. Click HERE to open.

Country Specific Travel Information
