Flight Information

The accuracy and currency of information contained in this guide is uncertain due to the difficulty in obtaining the information and the rapidly changing environment. Aviators should always check with a country's aviation authority or a local aviation handler to determine any specific aircraft airworthiness/equipment and crew/passenger entry requirements.

Airports of Entry

[LWSK](#) [Skopje- Alexander the Great International Airport](#)
[LWOH](#) [Ohrid - St Paul the Apostle Airport](#)

Entry/Exit Requirements

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Information** for the country at which the technical stop will be made.

Entry and Exit documentation forms vary from country to country. In general, however, ICAO member countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- General Declaration
- Passenger Manifest
- Cargo Manifest
- Embarkation/Disembarkation Card
- Certificate of Residual Disinsection

Examples of these documents can be found at [/FIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents](#). The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

All flights shall coordinate their arrival and departure times with the airport operator, i.e. the slot coordination office.

Entry Requirements (Departing the U.S.)

- File an [eAPIS](#) manifest outbound (recommend inbound at this time, too)
- File and activate international flight plan
- Land at a designated airport of entry (AOE) – customs and immigration

The following entry documents are required:

Passengers –

- Passport
- [Visa](#) - not required for stays less than 90 days in 6 month period
- Vaccination certificates - if arriving from disease infected area
- Proof of health insurance
- Register with local police within 24 hours if not staying at a hotel

Crew – Same as passengers

Note: Other requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight

Aircraft –

- Two copies of cargo manifest
- General Declaration/Passenger Manifest not required

Exit Requirements (Departing Macedonia)

- ➔ Depart from an AOE
- ➔ File [eAPIS](#) manifest if inbound to the U.S.
- ➔ File an international flight plan
- ➔ Call U.S. Customs at filed U.S. airport of entry

Additional Flight Information

The issued flight permission for operating nonscheduled air services or general aviation shall be valid 72 hours, commencing with the estimated time of entry into the Macedonian air space or the estimated time of departure.

Prior co-ordination with Skopje and Ohrid airport authorities about ARR/DEP time is required. The request for co-ordination should be addressed to:
