

**COMMONWEALTH OF INDEPENDENT STATES – SPECIAL REQUIREMENTS**

Revised – March 31, 2025

**1. INTRODUCTION**

- 1.1 For information on all civil aeronautical products (aircraft, engines, propellers, and articles) intended for use in Commonwealth of Independent States (CIS) countries, and to ensure those products meet design approval and export requirements of the individual countries, please contact AIR-40 at [9-AWA-AVS-AIR400@faa.gov](mailto:9-AWA-AVS-AIR400@faa.gov). Updates are currently pending for all CIS countries.

Countries affected include all signatories of the Minsk Agreement on civil aviation and use of aerospace, including:

Republic of Armenia  
Azerbaijan  
Republic of Belarus  
Georgia  
Republic of Kazakhstan  
Kyrgyz Republic (AKA Kyrgyzstan)  
Republic of Moldova  
Russian Federation  
Republic of Tajikistan  
Turkmenistan  
Republic of Uzbekistan

Please note this requirement does not apply to Ukraine. Please see individual entry for Ukrainian special import requirements on [FAA's Appendix 2 of AC 21-2 "Special Requirements of Importing Authorities" page](#).

**2. CONTACTS**

- 2.1 The CIS Management Plan for Acceptance of U.S. Manufactured Aircraft, Engines, Propellers, Articles and Appliances may be viewed at website:  
[https://www.faa.gov/aircraft/air\\_cert/international/working\\_procedures/](https://www.faa.gov/aircraft/air_cert/international/working_procedures/) \*

\* *The CIS Management Plan is no longer honored by the Republic of Moldova. Each import-export question for Moldova will be assessed on a case-by-case basis by contacting the CAA.*
