# Reciprocal Acceptance – Workshop II Strategy

- **Discuss - Long term strategy for leveraging reciprocal acceptance**
- **Identify - Level of interest to accepting each other's current oversight process**
- **Identify - Challenges & opportunities to reciprocal acceptance**
- **Develop - Reciprocal acceptance data sharing methods**

# Question #1

**What Opportunities & Challenges Exist to Reciprocal Acceptance?**

# Group A: Affinity #1 Themes

- **Communication**
- **Confidence**
- **Maintenance**
- **Leverage Resources**
- **Industry Support**
- **Global Standards**
- **CAA Internal Policy**
- **Trust**
- **Equivalent KSAOs**
- **Capability/Expertise**
- **Training**

# Group B: Affinity #1 Themes

- Fees
- Effectiveness
- Resources
- Process
- Culture
- Legal
- Standardization
- Confidence
- Info Sharing
- Training
- Political Will
- Delegation/3<sup>rd</sup> Party

## Question #2

**What Requirements Do We Need for Reciprocal Acceptance Data Sharing?**

# Group A: Affinity #2 Themes

- **Data Access**
- **Data Protection**
- **Data Design**
- **Data Maintenance**
- **Common Understanding**
- **Management Plan**
- **Export Control**
- **Frequency of Reports**
- **Significance of Oversight**
- **Confidentiality**
- **Requirements**
- **Communication**
- **Collaborative Relationships**

# Group B: Affinity #2 Themes

- Harmonization of Data
- Data Product/ Article
- Validation
- Standard Format
- Scope of Work
- Changes
- Sharing Audit Reports
- Right of Access
- Supplier Mgmt System
- Occurrence Reporting
- Performance Measures
- Common IT Solutions
- One Language
- Sharing Audit Reports
- Requirements
- Data Sharing

# Workshop Summary

- **Review Workshop Activities**
- **Connect to Workshop Objectives & Deliverables**
- **Identify Next Steps**
- **Meeting Close**

# **Global Manufacturing Meeting 2015 Workshop II**

# **Thank You!**
