

FY-2019 Supplemental Appropriation, Airport Improvement Program

Anticipated Grants

NOTES

- List shown included as part of the Notice of Intent to Award by Secretary of Transportation on November 22, 2019.
- Official grant award announcements will be made through DOT's normal Airport Improvement Program Congressional notification process.
- Figures shown may include costs other than hard construction (e.g., formulation costs such as planning or environmental, engineering design, contract administration, etc.).
- Grant amounts subject to change once final bids are received.
- Many of the projects will be able to proceed to construction bid and grant award in the near term. Others, however, are still finalizing legal or administrative requirements, and may not be ready for grant award until later in FY-2020 or FY-2021.
