FY2026 Military Airport Program (MAP) Application

Paperwork Reduction Act Burden Statement
A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2120-0569. Public reporting for this collection of information is estimated to be approximately 8 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required under 49 U.S.C. Section 47105 to retain a benefit and to meet the reporting requirements of 2 CFR 200; no assurance of confidentiality is provided. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Aviation Administration, 10101 Hillwood Parkway, Fort Worth, TX 76177-1524.

INSTRUCTIONS

This application is provided to airports to assist in completing the application for the FY 2026 Military Airport Program (MAP). Requests must be submitted via email to the appropriate FAA Airports District Office (ADO) (or Regional Office (RO) if there is no ADO). *Note:* For sponsors admitted to the MAP program, this information will be used as Part IV, Program Narrative, FAA Form 5100-100, *Application for Federal Assistance*.

1. **Airport Information**
   (a) Enter the official airport name
   (b) Enter the FAA location identifier code
   (c) Enter the sponsor's legal name (from SAM.gov)
   (d) Enter the airport manager's name and title
   (e) Enter the name, phone number, and email of the contact for MAP projects

2. **Eligibility**

   (a) Choose one answer

   (b) Choose one answer

   (c) Choose all that apply

3. **Conversion Needs**

   Explain how participation in the MAP will assist the airport to successfully convert to civilian airport operations (500 words max.). Consider the following:

   - What physical conditions will MAP funding address?
   - How will MAP help the airport complete its development goals?
   - How will the proposed projects benefit the national system of airports?
   - How do the proposed projects enhance the long-term economic sustainability of the airport?
   - Why is existing Airport Improvement Program (AIP) funding inadequate for airport development?

4. **Application for Redesignation Only**

   If this application is for an initial MAP designation, choose "N/A."

   If this application is for an additional MAP term, explain why continued participation in MAP is necessary including why regular AIP (both entitlement and discretionary) is not sufficient to cover the development needs of the airport (250 words max.).

5. **MAP Capital Improvement Plan**

   (Column A) Enter the name of each proposed MAP project (max 6 words). Example: *Construct Utilities.*

   (Columns B-F) Enter the estimated annual cost for each project. Phase the project to represent usable units of work (example: design and 2 phases of construction).

   (Column G) No entry required. This column will auto-total fiscal years 2027-2031.

6. **Project Information**

   Complete each section of the project information table for up to three (3) projects. If your application includes more than three projects, download and complete the FY 2026 MAP Application Supplement.

   - *Project Name* – Self-explanatory.
   - *MAP and AIP Funding* – Choose one check box based on the project's eligibility.
   - *Project Description* – Enter a complete project description (50 words max).
   - *Project Justification* – Explain why the project is needed. What activities require the project? (50 words max.)

- *Airport Layout Plan* - Is the project(s) on an FAA-approved ALP? Choose either “Yes” or “No.” If you choose “Yes,” then enter the approval date.
- *Proposed Project Milestones* – Enter a target date for completing normal AIP project requirements: project design, environmental determination, Federal/state permits, and project bids. (*Note: Completion of these requirements is not a prerequisite for entry into MAP*).
- *Additional Information* - Provide any other relevant information you want to present (50 words max.).

7. Diagram MAP Project Locations

Provide one drawing of the proposed project(s) locations on the airport. The diagram must clearly label each proposed MAP project. Use your PDF reader to attach a PDF drawing to this application or attach a separate PDF file with your application email.
