Mr. Shawn Hamilton
Acting City Manager
City of Park Ridge
505 Butler Place
Park Ridge, IL 60068

Dear Mr. Hamilton,

Thank you for your letter dated April 23, 2013, to Jim Keefer, Chicago Airports District Office Manager. He asked I respond to your request for an update on the O'Hare Modernization Program (OMP) for Park Ridge residents.

The Federal Aviation Administration (FAA) is working with the O'Hare Noise Compatibility Commission (ONCC) and the Chicago Department of Aviation (CDA) to provide information and outreach to Chicago wards and near-by suburbs before Runway 10C/28C commissions in October 2013. CDA and ONCC initiated this effort and asked the FAA to support the outreach. Please contact Jeanette Camacho of the ONCC or Aaron Frame of CDA to make arrangements for an outreach event in Park Ridge.

If you have any further questions specific to the FAA, please do not hesitate to contact me at 847-294-7812 or via email at Christina.Drouet@faa.gov.

Sincerely,

Christina Drouet
Manager, Chicago Modernization Program
