WE HAVE RESIDED IN NORRIDGE FOR OVER 45 YEARS. BUT NEVER BEFORE WAS THERE SUCH UNBEARABLE NOISE AND CONSTANT FLYING OF PLANES OVER OUR HOUSE, I AM HORRIFIED OF WHITE, LEAD FILLED FUMES SPEWING OUT OF SOME PLANES.

THOSE HUGE, FAT BELLED SKY MONSTERS FLY SO LOW OVER OUR HOUSE, THAT I CAN COUNT ALL THE WINDOWS ON THE PLANE AND OFTEN THEY SHAKE THE WINDOWS ON OUR HOUSE.

BUT MOST ANNOYING IS, THAT OUR T.V. PICTURE KEEP SCRAMBLING AND STOPPING, THAT IT IS IMPOSSIBLE TO FOLLOW THE STORY.

SEEMS LIKE - WE LIVING AROUND OHARE AIRPORT - ARE NOT THOUGHT TO BE PEOPLE AT ALL, JUST SO SOMEBODY CAN GET THEIR WAY.

NO ONE ASKED WHAT PEOPLE LIVING AROUND OHARE WANTED, WHERE WERE OUR LEADERS OF VILLAGES AROUND OHARE AIRPORT, WHY DIDNT THEY COMPLAIN ABOUT PLANS OF OHARE EXPANSION.

WHAT WAS WRONG ABOUT FEATONE? WHY WAS THAT PLAN REJECTED?

NOW THEY HAVE NOISE COMPLAINT HOT LINE - ASKING PEOPLE TO REPORT THE DATE, TIME AND TYPE OF AIRCRAFT.

I DONT HAVE TIME TO SIT IN MY BACK YARD AND LOOK AT THE SKY AND REPORT EVERY PLANE.

THE AIRPORT ALREADY KNOW ABOUT EVERY PLANE LANDING OR DEPARTING AND THE DESTINATION OF EVERY PLANE.

I HOPE THERE IS A WAY TO EASE THE SITUATION FOR EVERYONE.
