**Subject:** Test 3 FAA Approval

Hello Christina,

I have some questions about Test 3 and the FAA's approval that if you have a few minutes I would like to discuss prior to the next AdHoc. Please let me know if you would be available for a phone call over the next few days.

Thank you for your time.

Sincerely,

Daniel R. Dwyer

Hello Christina,

As a follow-up to the meeting on Friday, FAiR felt many questions went unanswered pertaining to the 1050.1F categorical exclusion and intent of Test 3. If you have some time to discuss further, we want to make sure our understanding is clear. Perhaps with a brief discussion we could put this into a formal letter so everyone has the same answers moving forward.

Thank you for your time.

Sincerely,

Daniel R. Dwyer

Thank you Christina. Let's plan on Friday at 9am unless something opens up earlier. We'll outline our questions/concerns as suggested to get a jump start on things. Expect these in the morning. A few key points we'd like to have clarified before the Executive Committee meeting on the 30th.
