Dear Mr. Delaney:

I am writing this letter on behalf of six Park Ridge constituents who I met on September 1, 2009. My constituents have been negatively affected by noise since the commissioning of Runway 9L/27R at O'Hare International Airport on November 20, 2008. They have given me the attached letter that details the requests they presented to me. I will be faxing you this letter shortly after sending this email out to you.

I would like your assistance with their requests with the exception of third one. In regards to their first request, my constituents were looking for single event noise data for noise monitors 8, 24, 25, 26, and 33 for the months of May through August 2009.

Please give their letter request full and fair consideration consistent with all applicable laws, rules and regulations. I would appreciate a written response. Please direct future correspondence to my Suburban Director, Ann Limjoco. Ms. Limjoco may be reached via phone at (847) 328-3409, via fax at (847) 328-3425 or via email at [Marie.Ann.Limjoco@mail.house.gov](mailto:Marie.Ann.Limjoco@mail.house.gov). Thank you for your attention to this matter.

Sincerely,

Jan Schakowsky  
Member of Congress
