Dear Mayor Mulder:

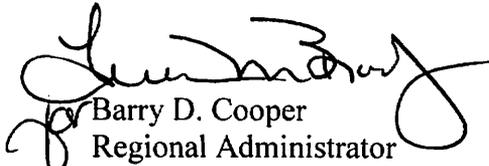

In our letter to you dated February 26, 2009, we made a commitment to provide you with data concerning nighttime operations on O'Hare Runway 9L/27R on a monthly basis.

During the month of June 2011, Runway 27R was used for nine arrivals between the hours of 10:00 p.m. and 6:00 a.m. Three of these arrivals occurred on June 10 between 10:00 p.m. and 10:04 p.m. and six arrivals occurred on June 15 between 10:04 p.m. and 10:17 p.m. Commercial air carrier activity continued for arrivals on Runway 27R on both of these days due to weather and operational conditions at O'Hare.

There were no arrivals or departures on Runway 9L during nighttime hours in June.

If you have any further questions, please feel free to contact me.

Sincerely,

  
Barry D. Cooper  
Regional Administrator  
Great Lakes Region
