Dear Mayor Mulder:

In our letter to you dated February 26, 2009, we made a commitment to provide you with data concerning nighttime operations on O'Hare Runway 9L/27R on a monthly basis.

During the month of December 2011, Runway 27R was used for nine arrivals between the hours of 10:00 p.m. and 6:00 a.m. All of these arrivals occurred on December 14 between 10:00 p.m. and 10:20 p.m. Commercial air carrier activity continued for arrivals on Runway 27R on this day due to weather and operational conditions at O'Hare.

There were no departures on Runway 27R and no arrivals or departures on Runway 9L during nighttime hours in December.

If you have any further questions, please feel free to contact me.

Sincerely,

Barry D. Cooper
