Dear Mayor Mulder:

In our letter to you dated February 26, 2009, we made a commitment to provide you with data concerning nighttime operations on O'Hare Runway 9L/27R on a monthly basis.

During the month of January 2012, there were no nighttime operations on Runway 9L. Runway 27R was used for one arrival on January 20 at 10:02 p.m. Commercial air carrier activity continued for arrivals on Runway 27R after 10:00 p.m., on this day due to weather and operational conditions at O'Hare.

If you have any further questions, please feel free to contact me.

Sincerely,

Barry D. Cooper
Regional Administrator
