**Re: Notice of Availability of the Draft O'Hare Modernization Section 303/4(f) and Section 6(f) Evaluation and Notice of Public Comment Period**

Dear Ms. Wanda Stone:

The Federal Aviation Administration (FAA) has prepared a Draft O'Hare Modernization Section 303/4(f) and Section 6(f) Evaluation for the O'Hare Modernization Environmental Impact Statement. The Section 303/4(f) and Section 6(f) Evaluation documents the consideration of impacts to Section 303/4(f) lands and DOT Section 6(f) lands that could be impacted by build alternatives proposed at Chicago O'Hare International Airport.

We are seeking comments from Federal, State, and local agencies, and the public on the Draft O'Hare Modernization Section 303/4(f) and Section 6(f) Evaluation. Enclosed is a copy of the Notice of Availability that will be published in the Federal Register on or about May 20, 2005. The entire document is available on the internet at [www.agl.faa.gov/OMP/DEIS.htm](http://www.agl.faa.gov/OMP/DEIS.htm).

Please send your written comments to Mr. Mike MacMullen, Federal Aviation Administration, 2300 East Devon Avenue, Des Plaines, Illinois 60018; (847) 294-7046 (facsimile); or via email: [ompeis@faa.gov](mailto:ompeis@faa.gov); by the close of business July 5, 2005.

Thank you for your time and consideration in this matter.

Sincerely,

Barry Cooper  
Manager, Chicago Area Modernization Program Office

Enclosure

Examination of Historic files find no properties documented within project area that meet criteria of additional value. Archaeological materials or Human remains could likely be encountered which requires immediate notification.
