**To:** Title 14, Code of Federal Regulations (CFR) Part 139 Certificated Airport Operators and Federally Obligated Airports

**Subject:** 14 CFR Part 139 – New 14 CFR Part 3 Falsification Regulation

**Point of Contact:** [9-ARP-AirportOpsSafety@faa.gov](mailto:9-ARP-AirportOpsSafety@faa.gov)

### 1. Purpose.

This CertAlert is to inform Part 139 certificate holders of a recent rulemaking on the implementation and enforcement of new falsification requirements under revised 14 CFR Part 3, General Requirements, Subpart D—*Falsification, Reproduction, Alteration, Omission, or Incorrect Statements*.

### 2. Background.

On September 3, 2025, the Federal Aviation Administration (FAA) issued a revision to Part 3 that establishes new prohibitions against the falsification of applications, records, and other documents submitted to the FAA. This final rule serves to consolidate all existing FAA falsification regulations, including those contained within Part 139.115, into a single section under 14 CFR.

The effective date of this rule was November 3, 2025, and existing Part 139.115 falsification prohibitions need to be removed. For further information about the new FAA falsification regulation, please refer to the final rule notice (90 FR 42524) available on the Federal Register website (<https://www.federalregister.gov/documents/2025/09/03/2025-16902/falsification-reproduction-alteration-omission-or-incorrect-statements>). The text of 14 CFR Part 3, General Requirements, Subpart D, is included at the end of this CertAlert for your reference.

### 3. Action.

The FAA Airports Regional Offices will reach out to Part 139 certificate holders within their respective regions to request amendments to Airport Certification Manuals (ACMs) per Part 139.205(a)(2) and (d). This amendment will remove existing ACM references to Part 139.115 (typically located in Section 115) and add new Part 3 falsification prohibitions. These amendments will take effect on **February 17, 2026**.
