

# **FAA Roundtable Meeting November 3, 2011**

## **Safety Management System (SMS) Implementation Study**

**Presented by:**

**David J. Pollard, C.M.**

**Superintendent - Airport Operations and Security**

**Tallahassee Regional Airport (TLH)**

**Part 139 Classification = I**

**ARFF Index = C**

# Our Approach

- **Consulting Services (Kimley-Horn)**
- **Solicited Internal/External Stakeholder Input**
- **Considered existing Military Programs**

# Successes

- **Safety Policy Statement**
- **Improved Reporting of Unsafe Conditions**
- **Conducted 3 Safety Risk Assessments**
- **Improved Visibility of Safety Program**

# **“Safety Alert” Program**

**The airport “Safety Alert” Program was established to encourage any employee to voice safety concerns without fear of reprisal. Voluntary Safety Reports may be submitted by using one of the following:**

# “Safety Alert” Program

- By calling (850) 891-SAFE and leaving a detailed message describing the location and nature of the unsafe condition, practice, or behavior.
- By sending an e-mail message describing the location and nature of the unsafe condition, practice, or behavior to: [Airport.Safety@talgov.com](mailto:Airport.Safety@talgov.com)
- By completing a written Voluntary Safety Report and placing it in one of the “Safety Alert” boxes located at various spots around the airport.

# Stakeholder Communications

- **Big Bend Aviation Safety Council**
- **Runway Safety Action Team**
- **Station Manager Meetings**
- **Airport Security Consortium**
- **Tenant Assistance Program**
- **Notice of Violation Program**

# Training and Education

- **Self-Inspection**
- **Wildlife Hazard Management**
- **Recurrent Driver Training**
- **Self Audits**
- **External Audits**
- **Employee Orientation**
- **Continuous Improvement**

**THINK SAFETY**  
IT'S YOUR RESPONSIBILITY

# Other Areas of Focus

- **Rewards and Recognition Program**
- **Reflective Vests and Rain Gear**
- **Reflective Materials on GSE**
- **Safety During Construction**
- **Fire Hydrant Locations**
- **Emergency Notification System / Testing**
- **Continuous Improvement**
- **Team Approach**

# Safety Risk Assessments

- **Water Intrusion and Terminal Improvements**
- **Commercial Ramp Operations**
- **Irregular Airport Operations**

# Challenges

- **Employee Turnover**
- **Reduced Budgets**
- **Hazard Reporting**

# Status to Completion

- Final Deliverables to be produced and delivered no later than November 15, 2011.

# Questions?

**David J. Pollard, C.M.**

**Superintendent - Airport Operations**

**Phone: (850) 891-7815**
